1. **START** by heading to cranhillranch.com and click on “**register now**” under the Summer Camp menu. This directs you to your Ultracamp login page. If you already have an account, log in. If you are new to CranHill, create an account. Save your login information so you can use it for all future CranHill reservations.
2. **SELECT** “Make a Reservation”. Once you are on your account homepage, you will choose which camp options you want to register for. Complete all steps required to make that reservation, including adding Barn Store money, and signing your camper up for an add-on experience (trail rides, lake tubing, etc.).
3. **FINISH** reserving your spot by paying the non-refundable camp deposit. You can choose to pay the whole camp balance or take care of the deposit and pay the rest as you go. The deposit is \$50 for overnight camps and \$25 for Day Camps. All camp fees must be paid in full prior to arrival at camp.
4. **CHECK** for all required forms that will become available after you have completed a reservation. Those forms will be the Camp Waiver and Health Form (Plus the Horse Experience Form for Horsemanship campers). Please fill out the Health Form prior to arriving on campus. By filling it out early, you will save yourself time on check-in day.
5. **LOOK** for confirmation emails, special updates, and announcements leading up to your child’s week of camp.

OUR SUMMER MINISTRY STAFF

Our staff are the best around! At CranHill they are key to the success of our ministry. That's why we travel to colleges throughout the world to find the best summer staff who love Jesus. Staff members must complete a written application, a personal interview, and criminal background checks. Our summer staff also go through intensive training in their ministry area prior to the beginning of Summer Camp.

Before arrival, each staff member is required to take child safety training through Ministry Safe, a 9-part training to protect children and those who serve them. We do this so we can provide the safest environment possible for every camper that comes to CranHill.

This was a wonderful first camp experience for my 11-year old. They had an amazing time, and from start to finish this process has been so easy. Payment plans and consistent communication made everything so smooth. We will continue to send our kids to Cranhill for their summer camps days (that go by so fast!!)

MAKE SUMMER UNFORGETTABLE!

Go deeper into what CranHill has to offer! Momentum Camps (13–17 year olds) are designed to give teens the opportunity to grow closer to Christ, while allowing them the chance to tailor their camp experience through add-on activities like water sports, lake tubing, trail rides, and high ropes. We start with great activities they love, including archery tag, rock climbing, paddle boarding, and swimming. Then challenge them to go further into what God has in store for them. The worship is deeper, the games are bigger, and the experience is unforgettable. Momentum Camps provide the authentic experience they crave while pointing them to the Savior they need.

EXPERIENCE A LEGACY.

Horsemanship Camps are designed for youth with a love for horses, regardless of your camper's experience level. In this program, each camper will spend time in the barn learning new riding techniques, practicing tacking skills, and learning about horse behavior. All of our camp programs experience activities, games, and chapel times together, allowing Horsemanship campers to maximize their CranHill experience.

The Horsemanship camps are available alongside traditional Ignite (7-10), Fuel (10-13), and Momentum (13-17) camps. Campers can then be bunk mates with their friends from traditional camps!

For our Momentum (13-17) aged campers we also offer a Horsemanship Immersion Camp which will focus primarily on extended riding time with our horses each day and go further into our horsemanship curriculum. Space in these camp sessions are limited, so register early!

Horsemanship Camp Price: \$599

Horsemanship Immersion Week: \$689

Horsemanship Camps offer lots of riding time, paired with relevant lessons.

FOR AGES 10–13

Adventure Camp caters to the adventurous soul in us all. This experience will send campers charging into the woods, forging new paths, and reminding them of how big God really is. They will spend an energizing week hiking trails, canoeing, and rock climbing. Adventure Camp allows campers to disconnect from the busyness of everyday life and reconnect with God in this week-long rustic camping experience. The week will include sleeping in tents, building fires, cooking meals, and “roughing it”. Experience a great adventure that kids will never forget!

We go to CranHill every year, and we look forward to sending our kids for YEARS to come. They beg to go back to camp, and hate when they have to leave. **This faith-filled camp is exactly that - GREAT staff, amazing worship and ministries, and super fun activities.** There are great activities, but kids are just allowed to be kids all week and have FUN! We love this place!
