

SCHOLARSHIP REQUEST FORM

Each year, CranHill raises funds in order to assist as many families as possible with the cost of attending camp through our *Camper Scholarship Fund*. Primarily, these scholarship dollars come from donors to our ministry who value the camp experience and want to share that with others. Our desire is to help as many campers attend summer camp as possible and to be good financial stewards with the limited funds we receive each year. All applications for scholarship funds are kept strictly confidential.

Before completing this form, please **contact your church** to see if they participate in our *Sponsorship Voucher System*. Many churches have joined us and agreed to pay for a percentage of a camper's registration fee for families. Using this system allows us to use more of our scholarship funds for families without church ties. Many churches may also have their own assistance program for sending children to Christian camp as a part of their value for Christian formation for youth. We encourage all families to approach their church and any applicable agencies first to seek other assistance.

These camps are enjoyed by hundreds of campers each season, and provide a fun, challenging, and well-rounded camp experience. Families can enroll in specialty camps if they desire, but we still base the scholarship off of the lowest price camp.

Here are some things to consider as you fill out your Scholarship Request Form.

- CranHill Camper Scholarships are only available for overnight camps. ***Day Camp and Friendship Camp are not eligible.***
- You can register for any overnight camp available, however CranHill Camper Scholarships are generally based on standard overnight camp experiences.
- Scholarship amounts will vary depending on funds available within the Camper Scholarship Fund.
- Other discounts that have already been given during your online registration process are factored in when considering the total amount of the scholarship that will be awarded.
- In general, scholarships (including any CranHill discounts) greater than \$200 per camper are extremely rare.
- More common scholarship grants, including CranHill discounts, fall in the \$100 - \$200 range.
