

WELCOME

Camp is a life-changing experience that you cannot find anywhere else. That's why we built Day Camp. This unique program is crafted specifically for active adventurers ages 6–8 and pairs exciting activities, games, adventure, and Biblical truth together into a compact daily package. Day Camp is an experience unlike anything else combining our unique atmosphere away from “normal” life, with opportunities for every camper to build friendships, and independence, and experience God and His creation in a fresh way every single day. It truly is something that cannot be replicated anywhere else. Each day gives parents the opportunity to hear all the amazing stories from their camper around the dinner table each night.

Here at CranHill it is our mission to transform lives into the image of Christ and help foster that life change. We have been blessed to watch God work here in this way over the last 50 years. We take full advantage of the uniqueness of our campus to show each camper how much God truly loves them. We have crafted our Summer Camps to provide a safe, uplifting, and authentic experience for each camper that sets foot here. In this all-inclusive packet, you will find all the information you need as you prepare to send your camper to CranHill. We hope this resource will be a blessing to you and we are looking forward to seeing you soon!

CAMP PHILOSOPHY

CranHill offers unforgettable experience for kids young and old through a variety of programs and activities, with top of the line facilities and qualified staff committed to the enjoyment and safety of all our campers. CranHill has been a safe, caring, and exciting place to camp for over 50 years. CranHill Ministries is devoted to being a ministry through which God is transforming lives into the image of Christ through Youth Camps by unapologetically proclaiming and demonstrating the truth of the Bible as God's Word and Jesus Christ as the one and only Lord and Savior, Nurturing faith in Jesus Christ through Evangelism and Discipleship and, Providing opportunities to sense God's Glory, Wonder and Creation in our unique atmosphere. CranHill welcomes campers of all faiths as well as no faith at all. We don't require, assume, or expect that all campers are Christians or come from Christian families. Our hope is to simply be like Jesus to everyone that comes to camp.

OUR STAFF

Our staff are the best around. At CranHill they are the key to our ministry. That is why we travel to the best Christian colleges throughout the Midwest to find our summer staff. Each summer staff member must complete an exhaustive written application, followed by a personal interview, and criminal background checks. Our summer staff also go through a week of intensive training in their ministry area, prior to the beginning of summer camp. Prior to arrival each staff member is also required to take a child safety training through Ministry Safe, a 5-part safety system to protect children and those who serve them.

YOUR ONLINE ULTRACAMP ACCOUNT

Every camper and family have an online account through UltraCamp, our online camp software. You can login using the email address associated with your account. Once you've logged in to your account, you can make payments, make reservations, request a bunk mate for your camper, and complete required forms. If you have questions about your online account or run into issues, you can call our office at (231) 796-7669 and we would love to help you.

CAMPER COMMUNICATION

CAMPER PHOTOS

CranHill takes and publishes all our camper pictures to a hosted gallery each week of camp. Due to our child protection policies, we will not post pictures of campers until after the conclusion of each week. There will be a link to the full picture gallery sent to you so you can look through the gallery for pictures of your camper.

You can also find a small collection of featured pictures from each week captured by our media team on the CranHill Facebook page at the end of each week. Pictures will be in an album bearing the previous week's dates.

VISITING

We ask that parents and family refrain from visiting camp during the day. If you need to schedule an early pick-up for sports, appointments, or other family matters please contact our office at 231-796-7669 so we can arrange the details. In order to protect our campers, staff, and campus please call ahead. All unauthorized visitors will be stopped and possibly asked to leave.

PHONE CALLS

Due to the volume of campers, CranHill doesn't permit campers to make or receive phone calls. However, there may be circumstances where our Leadership Staff or Health Officer may reach out to you about your camper. To be sure you recognize a call from us our **main office number is 231-796-7669.**

EMERGENCIES

In case of an emergency at camp, parents will be notified immediately. But if an emergency arises at home, we ask that parents call the **Camp Office at (231)796-7669** to leave an emergency message and a CranHill Leadership Staff Member will return your call. CranHill staff will gladly assist you and your camper in every situation.

Day Camp Leaders will do their best to help your camper keep up with their belongings. However, we cannot be responsible for lost items. Please consider this when making decisions of what to pack for camp. Please realize that your child will be in the great out of doors! Bring comfortable clothes that you would not mind getting dirty or lost. We strongly suggest that you label each item with your child's name. This will help items from getting lost.

MORE ABOUT CELL PHONES & MUSIC PLAYERS

We know that many campers and parents want to try to stay connected during camp. They are amazing pieces of technology that have made entertainment and staying in touch so much easier. Yet, cell phones and music players prove to be VERY problematic and disruptive at camp by drawing campers away from what is happening around them. We want to give all campers a break from “normal” and encourage them to unplug and connect with their Cabin Leaders and other day campers. We want to encourage all campers to grow in their independence and be immersed in the camp experience free of digital distractions while at CranHill. Any cell phones, music players, or other electronic devices brought to camp will be held by the Day Camp Supervisor, Program Director, or Program Manager until the end of the day and then returned.

LOST & FOUND

Parents are urged to label all clothing and personal items with a permanent marker. If a lost item cannot be located, please fill out a lost and found slip (Ask the Day Camp Staff or they are located at the Barnstore) and our staff will seek to locate and return that item to you. We have an excellent record in identifying and returning lost and found items that are labeled. **Parents will be responsible for the cost (Shipping and Handling) of mailing any items home.** Any underwear and socks left at camp are disposed of. At the end of each camping season, we hold a yard sale to dispose of any remaining items. Local resale shops will receive any remaining unclaimed and unsold items.

CAMPER PICK-UP

Monday-Friday 5:00 PM-5:15 PM- *Please be on time or call ahead if you know you are going to be late. We ask that no camper is left later than 5:30 PM. It is a hard thing for young campers to understand why parents are not there when they see their friends leaving.*

At Day Camp check out each day we will ask to see your photo I.D. as you sign out your camper. Only approved parents or guardians will be allowed to pick up your day campers. **No camper will be released to a person that is not listed on the camper authorized pick-up list** (pulled from each family's UltraCamp account). Once a camper is signed out for the day, they are free to leave CranHill grounds.

If there is any need for an earlier pick up, please inform our main office so that the specific time can be communicated to our staff.

ADDING PEOPLE TO THE AUTHORIZED PICK-UP LIST

You can add people to your camper's authorized pick-up list at any time before the day of check-out. We encourage parents to add as many family and friends to their authorized pick-up list in the event they are not able to arrive at camp to pick up their camper. **If a person comes to pick up a camper and is not on the authorized list, campers will not be released to them until we speak to the primary parent or guardian on the camper UltraCamp Account.** Here is how you can add people to your authorized pick-up list:

1. Log in to your UltraCamp Account.
2. On your account homepage click on the "Pickup Authorization" tab.
3. Click on "Add/Edit Pickup Authorization".
4. Click "Add" and enter the contact information of the person(s) you are adding to your authorized list.
5. Select "Save" and the added person(s) will now appear on your authorized pick list for your camper.

HEALTH, MEDICATIONS, & FOOD SERVICE

THE INFIRMARY

Campers who are not feeling well during camp can tell the Day Camp Staff who can contact our Health Officer or can take campers to visit the Infirmary at any time. The Infirmary is staffed by our Health Officer who has met all the State of Michigan's guidelines and is onsite 24 hours a day. In case of emergencies, a doctor is always on call.

We will contact parents should an emergency arise or if one of the following criteria are met:

1. A camper has a health-related concern.
2. A camper has a temperature of 100 degrees or higher.
3. A camper spends more than four hours in the Infirmary.
4. A camper needs to go to the hospital.

Day Camp Staff check in with campers daily and remind them of the importance of staying hydrated and utilizing sunscreen and bug spray, and they are available to help campers with any health-related concerns that might arise.

HEALTH FORM

We are required by the State of Michigan to have a health form on file for each camper. Parents can complete the online Health Form by logging in to their online UltraCamp account and looking under the "Forms" tab. **Health forms should be completed before arriving at camp.**

MEDICATIONS

All day camper medications must be turned in to the Health Officer or Day Camp Supervisor at drop-off each day. Camper medications **must be in the original container with dosage and frequency clearly marked.** Arrangements can be made for our Health Officer to hold onto Day Camp medications for the duration of the week or collect and return them daily. All medications should match those listed on the campers' Health Form. If a Health Form was not completed prior to registration parents will be asked to complete a paper Health Form before turning in any medication. You can save a great deal of time at Monday's drop-off by having the Health Form completed BEFORE arriving at camp. All medications will be distributed by the Health Officer or other qualified personnel under the direction of the Health Officer. A written record of medication administration shall be kept for each camper with prescription medications. The Health Officer is responsible for keeping all medications under locked storage (unless the prescription indicates otherwise) and the Health Officer is on call 24 hours each day while camp is in session.

BEHAVIORAL MEDICATIONS

We want your camper to be successful at camp. While we think of camp being a fun and relaxing time, it's important to remember that campers are learning new skills, having lots of new social interactions, and need to concentrate on instructions from cabin leaders, not only in the cabin but during activities as well. In keeping with the American Camp Association (ACA) joint statement policy statement; **we are requiring all campers who normally take psychotropic medications and are in long-term psychotropic therapy to not have elective interruption of their medicines while at camp (aka Med Holiday).**

HEALTH ASSESSMENTS

We are required by the State of Michigan to screen all campers for good health prior to admission to camp. We request that no campers come to camp ill or with any contagious conditions. Campers need to be fever free for 24 hours without taking fever-reducing medicine. In addition, if a camper has lice within the last seven days, the camper may be allowed to attend camp with proof of certification from a licensed lice treatment facility approved by CranHill. Campers who are sick and are potentially contagious will need to leave camp in order to help us ensure the health and safety of our camp community. If you have any questions regarding the health of your child before coming to camp, please feel free to contact the Program Director at 231-796-7669 or email programdirector@cranhillranch.com.

ILLNESS POLICY

It is our policy to ask all parents to keep home any camper who exhibits any of the following symptoms: diarrhea, severe coughing, difficult or rapid breathing, yellowish skin or eyes, pinkeye/conjunctivitis, vomiting, contagious rashes, unidentifiable rashes, fever (over 100 degrees orally or 101 degrees rectally) and head lice or nits. Accordingly, we reserve the right to contact a parent or emergency contact to have the child picked up if he/she exhibits any of these symptoms. We also utilize a "24-hour fever-free policy." This policy mandates that any child sent home with a fever (see above) cannot be readmitted to camp within 24 hours.

Please understand that these policies exist to protect your children. We thank you for your cooperation in this area. Campers who are sick and are potentially contagious will need to leave camp in order to help us ensure the health and safety of our camp community. If you have any questions regarding the health of your child before coming to camp, please feel free to contact the Program Director at 231-796-7669 or email programdirector@cranhillranch.com.

MEALS

Day Campers bring their own lunch from home and we provide a daily snack. However, lunch from camp is available for an additional cost. Please sign up ahead of time on your UltraCamp account or sign up and pay in our office on your first day of day camp.

Camp Meals are nutritious meals prepared under the careful supervision of our trained food service staff to satisfy the appetites of campers. Fresh fruit, vegetables, and other healthy options are offered daily. Please indicate food allergies and any other special dietary needs on the Camper Health Form. The more information we know ahead of time, the better we can serve your camper. **Please feel free to email any food allergies and/or dietary concerns to our Food Service Manager at Foodservice@cranhillranch.com**

BIRTHDAYS

Many campers celebrate their birthday while they are at CranHill! If you want to leave items with our staff to help celebrate your camper's big day, please leave only non-food items to help us avoid any possible food allergies.

DISCIPLINE

Camp rules are designed to enhance the happiness and safety of all campers. A leadership staff member will contact parents to let them know if there is a significant or ongoing behavioral problem. Children who do not demonstrate appropriate behavior, in the judgment of the Directors, will be sent home. **Early dismissal from camp will not warrant the refund of fees.**

HOMESICKNESS

Homesickness among campers is common, especially for first-time campers. Parents can help the adjustment of their campers by leaving them on a positive note. Make sure to set your camper up for success by letting them know you expect them to have fun. Help them to set some goals for camp (meeting people, learning something new, etc.) before you leave and be enthusiastic about their time at camp. “Child Sick” parents often lead to homesick campers.

It is best not to promise a camper they can come home if they don’t like camp. CranHill Staff is well trained to help campers adjust to camp by immediately involving them in team building and fun activities. Parental support and encouragement are critical to the happiness of the child. *CranHill has an extremely high success rate of working with campers when parents work with us.* A leadership staff member will contact the parents if a child is homesick to let them know that we are working through the challenge. Homesickness is common but is usually short-lived due to all the fun people and activities at CranHill!

POST-CAMP SAFETY AND COMMUNICATION STANDARDS

CranHill staff and campers are encouraged to stay in touch beyond summer camp via CranHill-sponsored events and camp social media channels. For the safety of the campers, guests, and staff, CranHill staff members and campers should never be alone together in an unobserved context during camp or away from camp (in person or online). Following a camp experience, CranHill staff are not allowed to “friend or follow” campers on any social media platforms. Any contact between campers and CranHill Staff members outside of camp must be approved by the camper’s parents/guardians.

If you have a question or concern about payment, please feel welcome to call us at (231)796-7669.
